

# Totem

The Totem kiosk features a highly attractive 21.5-inch screen with a resolution of 1920 x 1080 pixels. It has been designed for the comfort of your customers' eyes, but also for ease of use and data encoding.

Equipped with a printer, barcode and eID card reader, our totem remains relatively lightweight. With its 21.5-inch screen and customisable wall, it's sure to catch the eye of your customers in your shop! You can choose to hang it on the wall or attach it to a stand.
